Panorama Antennas Ltd is expanding its global reach with the opening of a new sales office in the Texas, covering the USA & Canada.

Texas, USA September 24, 2009 -- Panorama Antennas, the antenna RF solutions company announced the opening of a new sales office in Texas, USA. The office will provide the entire Panorama range of antennas from Mobile Broadband to M2M & ISM to North America.

Panorama Antennas has decided to open this new sales office in Texas to both improve quality of service for existing customers and to open its product range to a variety of new customers. With established offices across the world, Panorama's new base in Texas signals a strong response to customer requests for a more local service.

"Panorama Antennas is excited about the opening of our new office in Texas. With a long history in radio communications, the USA is leading the way in RF" stated Christopher Jesman, Managing Director. "We are delighted to have Mats Lindquist, who has more than 30 years experience in sales and installations of mobile antennas, running our new office."

For additional information on the new office, call Panorama Antennas or visit <http://www.panorama-antennas.com/us>.

About Panorama Antennas Ltd:

Panorama Antennas, a family business now in its 3rd generation, is a leading designer and manufacturer of antennas for radio communications. Established in London in 1947, Panorama started life as a company manufacturing consumer products. By 1952, buoyed by huge demand for TV's in the UK, Panorama moved into the manufacturing of components for televisions including antennas.

Today, Panorama is a major producer of antennas for telecommunications and electronics companies around the world.
